ANNOUNCEMENT & CALL FOR PAPERS

IEEE

ISCIII'09

4th International Symposium on Computational Intelligence and Intelligent Informatics

October, 21 – 25, 2009
Egypt

Invitation to ISCIII '09

After two succsessful editions in Tunisia and one in Morocco, the Scientific Orgainizing Committee of ISCIII '09 invites you to partcipate in the fourth edition in the enchanting Egypt, from Luxor to Asuan, a venue chosen to enhance interaction between participants as well as give the events an appropriate setting. The organizers also invite you to the two day workshop on *Aplied Computational Intelligence* that will take place on 19 and 20 October in Hurghada. Both the conference and the workshop are encouraging high quality innovative papers and are commited to facilitate encounters and exchanges among the top researches in the field.

Sponsors: Japan Society for Fuzzy Theory and Intelligent Informatics (SOFT)

IEEE IES/RAS Hungary Chapter

Technical Co-Sponsors: IEEE Industrial Electronics Society

Important Dates

Abstract submission	**April 20, 2009**
Acceptance notification	**May 20, 2009**
Full paper submission and early payment	**June 30, 2009**

Please note that only IEEE style papers in pdf format are acceptable for submission.

Topics (include but not limited to)

Artificial Life	Intelligent Transportation Systems
Autonomous Agents	Knowledge Acquisition
Cognitive Modeling	Learning and Adaptive Systems
Complex Systems	Machine Learning
Data Mining	Man-Machine
Decision Making	Interaction/Interfaces
Education and Training	Mechatronics Design
Embedded Real-Time Systems	Micro/Nano Technology
Fault Detection and Diagnosis	Mobile Machines
Foundation of Intelligent	Modeling and Simulation
Informatics	Multi-Agent Systems
Fuzzy Logic and Fuzzy Reasoning	Neural Networks
Genetic Algorithms	Neuro-Fuzzy Systems
Genetic Programming	Ontological Engineering
Hardware/Software Co-Design	Probabilistic Reasoning
Information Ecology	Robotics
Intelligent Communication Systems	Systems Biology
Intelligent Control	Virtual Reality
Intelligent Manufacturing Systems	Web Intelligence
